- Lawn Buster will provide snow plowing services from the first snowfall/till the last snowfall, on a 24 hour, 7 days a week basis. Driveways will be plowed within 8 hours after a snowfall.
- Snow drifting due to high winds is the responsibility of the home owner.
- The home owner is and will take full responsibility for build-up resulting from city sidewalk plows and all snowfalls less then 5cm including driveway.
- **This contract covers snowfalls 5cm or greater, not 5cm of cumulative snow over multiple days. We are not responsible for ice storms or ice buildup; salting is available at an extra charge.**
- Snow plowing will start once snowfall has stopped, during a snowfall of 15cm or greater, crews will commence snow plowing routes when 75% of the forecasted snow has fallen.
- Lawn Buster will make 1 return trip per snowfall to remove the ridge at the bottom of your driveway resulting from city road plows within 24 after a snowfall.
- If a vehicle is blocking a driveway, we will remove what we can, we will not call home owners to remove any vehicles, and driveway will be completed within 8 hours from snow fall event stopping.
- The Property Owner agrees to indemnify and hold harmless Lawn Buster Property Services Inc. (Lawn Buster) from any claims, law suits, demands for damages or loss arising from accidents or injuries that take place on the Property Owner's property.
